

Thank you!

Big Year behind Greater Year ahead!
We reached historic heights last year thanks to you!
Thank you for being with us we have so many things
in the pockets for you coming this year. Just stay
with us and follow.

New A/C joining the fleet

As of December last year we have proudly announced
two new jet under AOC: Citation Jet SP- GMM and Learjet
60XR SP-DOM. Click link below to see short presentations
of these aircrafts.

<https://www.youtube.com/watch?v=BBL5mCrIfhQ> SP GMM

AMC Aviation is expanding its family

We are not only expanding our fleet but also
we have hired new human forces in many areas
of AMC Aviation like Maintenance, Sales or Crews.
As of beginning of 2018 we are more than 50 employees.
Looking forward to new projects and venues planned
for this year such as MX expansion to Western clients
and growing our Charter Sales business.

Winter trips

Snow and fun seems to come at its
best this season. Alpine resort warmly
welcome their clients with fire places
on and cinnamon gluhwein ready to go!
AMC Aviation also got ready for the winter.
Our hangar heating is fully on and our
crews are training how to fit requested
number of skies pairs to the airplane!
Stay warm and good luck! If you come
visit us gluhwein is on us :).

Our Sales Team

Meet our Sales Team
members and call us
for your next itinerary!
